

EL FENN

WEDDINGS  
& EVENTS

# Romantic & Unique

Combine vibrant Marrakech with the beauty of El Fenn and you have a unique destination for an unforgettable event.

Named on Conde Nast's 2021 Gold List of the best hotels in the world, our team will work with you to create the celebration of your dreams. Think candle-lit dinners in one of our beautiful colonnades, rose-drenched ceremonies under hand-carved arches, or dancing with a backdrop of sunset and stars.

Housed in 13 interconnected riads - or traditional courtyard homes - with 42 bedrooms, El Fenn is the largest riad hotel available for exclusive hire in the Marrakech medina.

# Exclusively Yours

Think of El Fenn as your private home for the weekend. Dinner, dancing, DJs, brunches and cocktails, it's all possible as our in-house events team works with you to create your perfect celebration.

From the roof top to our courtyards, it's up to you how you use our different spaces. Maybe you'll have brunch or sunset cocktails on the terrace, dinner in one of our magical courtyards and dancing beside our candlelit pool.

However you want to celebrate, we're here to create your bespoke event. Just add a group of friends, family or colleagues and we'll do the rest.

# Intimate Weddings

El Fenn is the ultimate romantic backdrop to one of the most important days of your life. And if celebrating abroad feels daunting, rest assured that our events team will make sure that everything from menus to flowers and decoration are perfect for your day. We only hold a limited number of weddings each year because we want to make sure that each one is unique.

# Grand Celebrations

We've hosted everything from art festival and book launches, to corporate escapes and birthday parties. We can either work with your own party planner, or you may want us to open up our little black book of the very best suppliers in Morocco. Whatever your vision for your celebration, we are here to bring your dreams to life.

# A Great Party

Memorable hospitality isn't just about food and flowers (although we're pretty good at those) - but people too. And a key part of our culture here in Morocco is the warmth of our hospitality. We want to make every guest feel welcome and special so when you are here think of El Fenn as your home from home.

El Fenn was founded on the belief that luxury can also be relaxed and authentic. We don't stand on ceremony and don't have a 'set' way of doing things. It's really up to you how you use the space.

A photograph of a bedroom interior. The walls are a deep red color. On the left, a large bed is covered with white linens and has several white pillows. A small woven basket sits on the bed. To the left of the bed is a nightstand with a lamp and a vase of red flowers. The head of the bed is against a dark, tufted headboard. On the right wall, there are two arched alcoves with intricate white carvings. A large, cylindrical, tiered pendant light hangs from the ceiling. The floor is covered with a black and white checkered tile pattern. A small wooden stool is visible in the foreground.

# Everyone Can Stay

El Fenn blends authenticity with creative cool. Filled with art, vintage furniture and interiors hand-created by a team of local artisans, our style has earned us mentions in publications ranging from Architectural Digest to Vogue.

But it is the hotel's warm atmosphere that brings clients back again and again and makes it the perfect place to host your event.

# Food & Drink

Eating and drinking are at the heart of any great celebration. Here at El Fenn we use seasonal ingredients to create authentically Moroccan cuisine with a European twist. We can cater to all your dietary requirements.

Our wine list that features the best of Moroccan wine and we've got an extensive range of New World and European bottles. The El Fenn mixology team is also on hand to create your favourite cocktails - from hibiscus margaritas to cardamom martinis.

## Roof Terrace

With year-round sunshine here in Marrakech, life at El Fenn centres on our 1300m2 rooftop. Up here, you'll find our cocktail bar and restaurant - plus a close-up view of the iconic Koutoubia Mosque and the rooftops of Marrakech. By day, there's a mass of beds and lounging areas to enjoy the sunshine from. At night, we'll light candles and fires as sunset fills the sky and the city lights up below. All you need do is relax.

# The Orange Courtyard

The other key event space here at El Fenn is our stunning orange courtyard. Filled with trees and hand-carved cedar wood and plasterwork, it's the perfect space for a wedding ceremony, dinner or drinks. By day, it's dappled with sunshine; by night, drenched in candlelight from the lanterns hanging on the walls and in the trees. The 152m2 space can seat 60 people for dinner or 100 people for a cocktail reception. The orange courtyard - and seven bedrooms surrounding it - are also available for separate private hire.

# Private Dining

## THE TOUBKAL TERRACE

One of our most popular spaces for hire is the Toubkal Terrace which has stunning 360 degree views over the rooftops of Marrakech to the Atlas Mountains beyond. At 22m-square, it sits 20 people and has got all the key El Fenn design details - from Moroccan lanterns to zellige-tiled tables.

## THE PACHA TERRACE

This larger terrace can host 30-40 people for a standing or seated reception. At night, it's lit by strings of wicker lanterns and is perfect for slightly larger celebrations. It runs off the main restaurant terrace but is screened to provide you with privacy for your event.
